OLD BUSINESS

American Patriotism Committee: John Bennett informed the Board that the committee's estimate to build the memorial is approximately \$3,000; to date they have \$2,089. Mr. Bennett also supplied the Board with pictures of the material they plan to use for the memorial. The committee has a volunteer to set the flag poles, and requested permission to do so.

The Board suggested the committee consult Councilman Kurtzke and Chief Whiffen about the project to be sure it will not interfere with parking at the Police Station.

Mr. Mandel and the Supervisor strongly suggested the committee contact and work with the VFW and/or American Legion, organizations that have tax exempt status.
